| H    |           | 1   |                                                                                      |         |     |
| I    |  (M8*14)  | 16  |                                                                                      |         |     |
| J    |  (M10*35) | 4   |                                                                                      |         |     |
| K    |  Ø10      | 4   |                                                                                      |         |     |
| L    |  (8mm)    | 1   |                                                                                      |         |     |

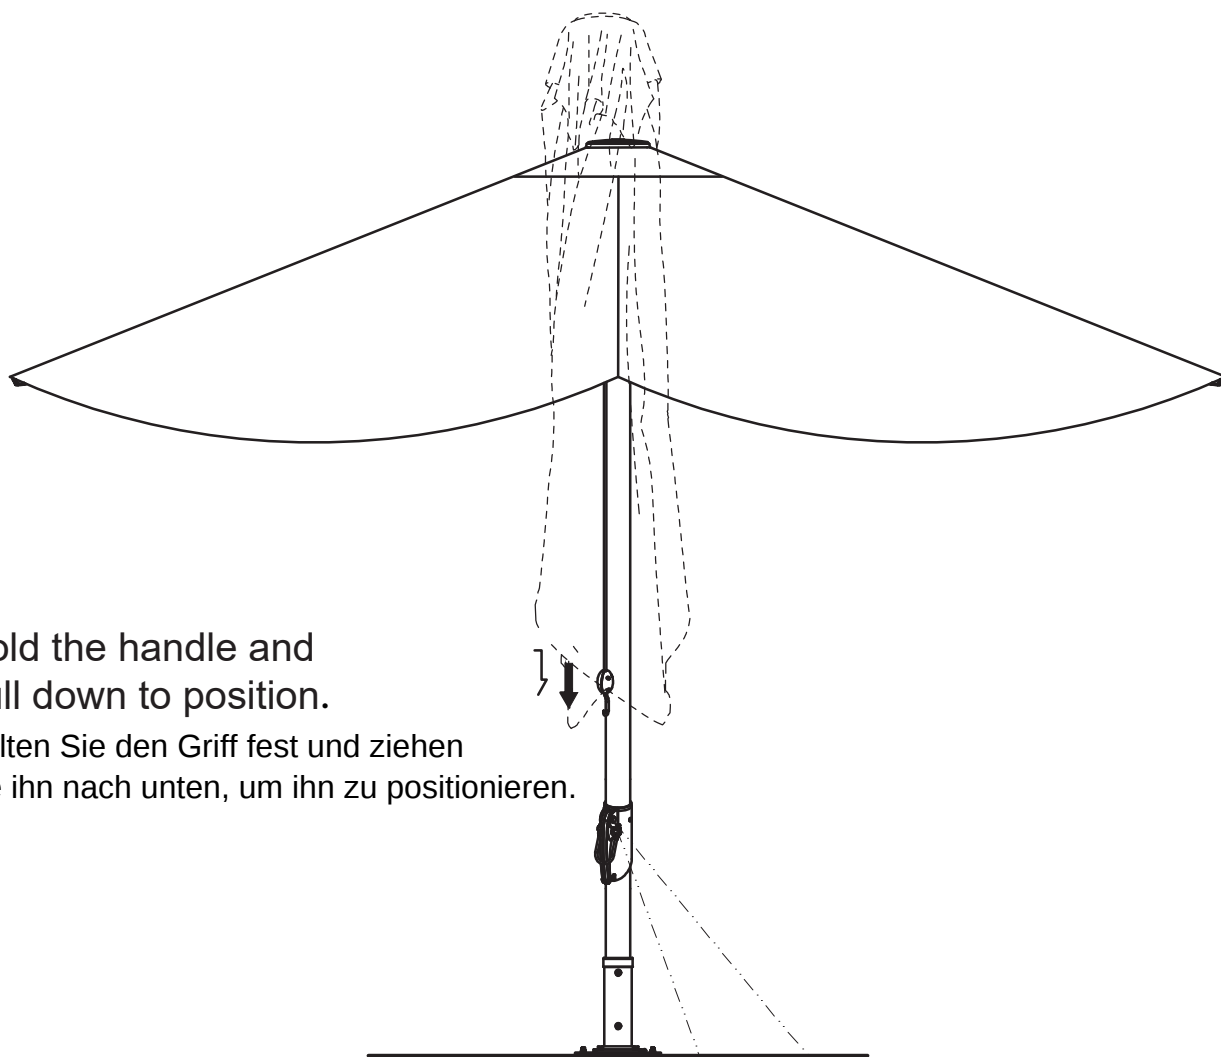

Unhitch the rope, find the mark and pull the rib to open umbrella.

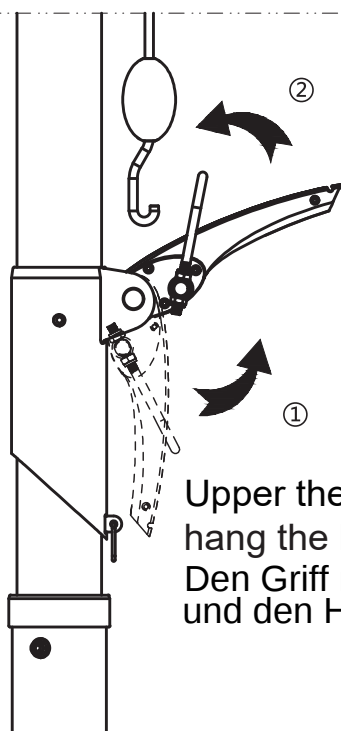

Lösen Sie das Seil, finden Sie die Strebe mit der Markierung und ziehen Sie an der Strebe, um den Schirm zu öffnen.

STEP:06

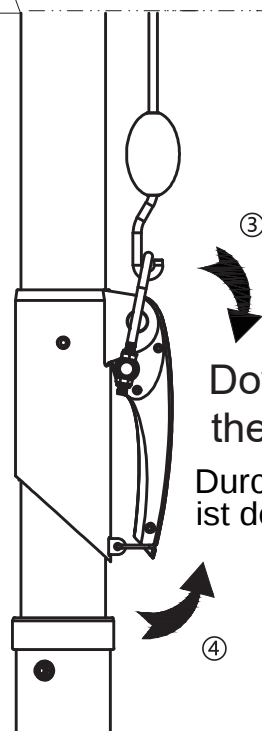

Hold the handle and  
pull down to position.

Halten Sie den Griff fest und ziehen  
Sie ihn nach unten, um ihn zu positionieren.

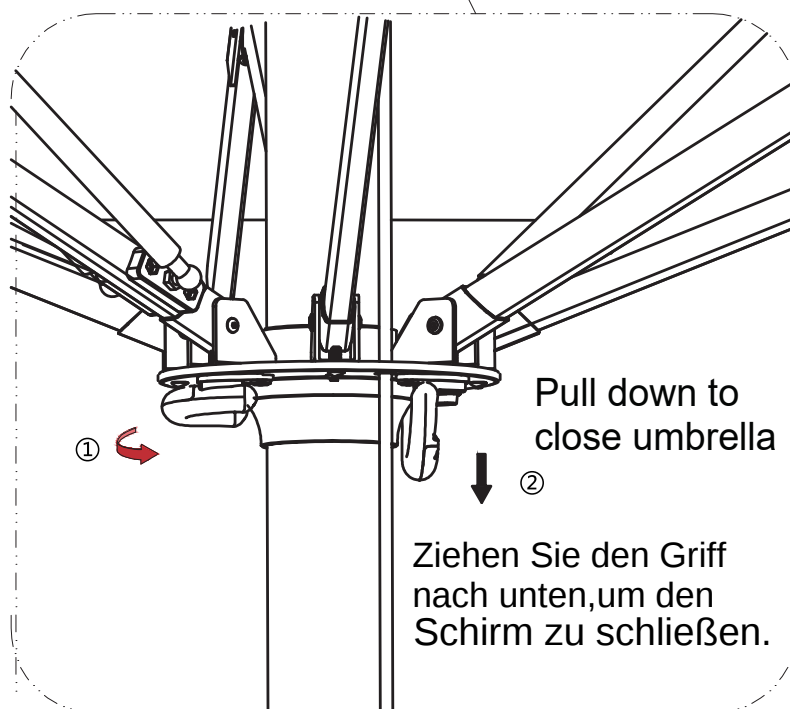

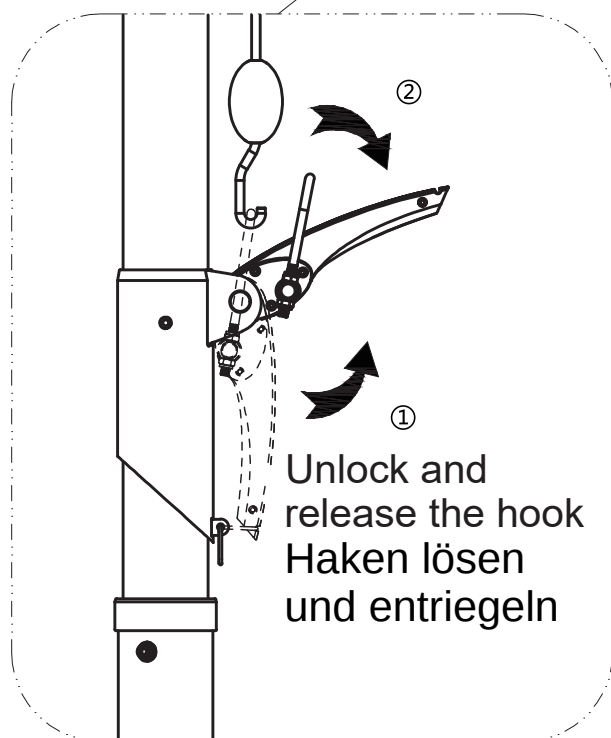

Upper the handle,  
hang the hook.  
Den Griff nach oben öffnen  
und den Haken einhängen.

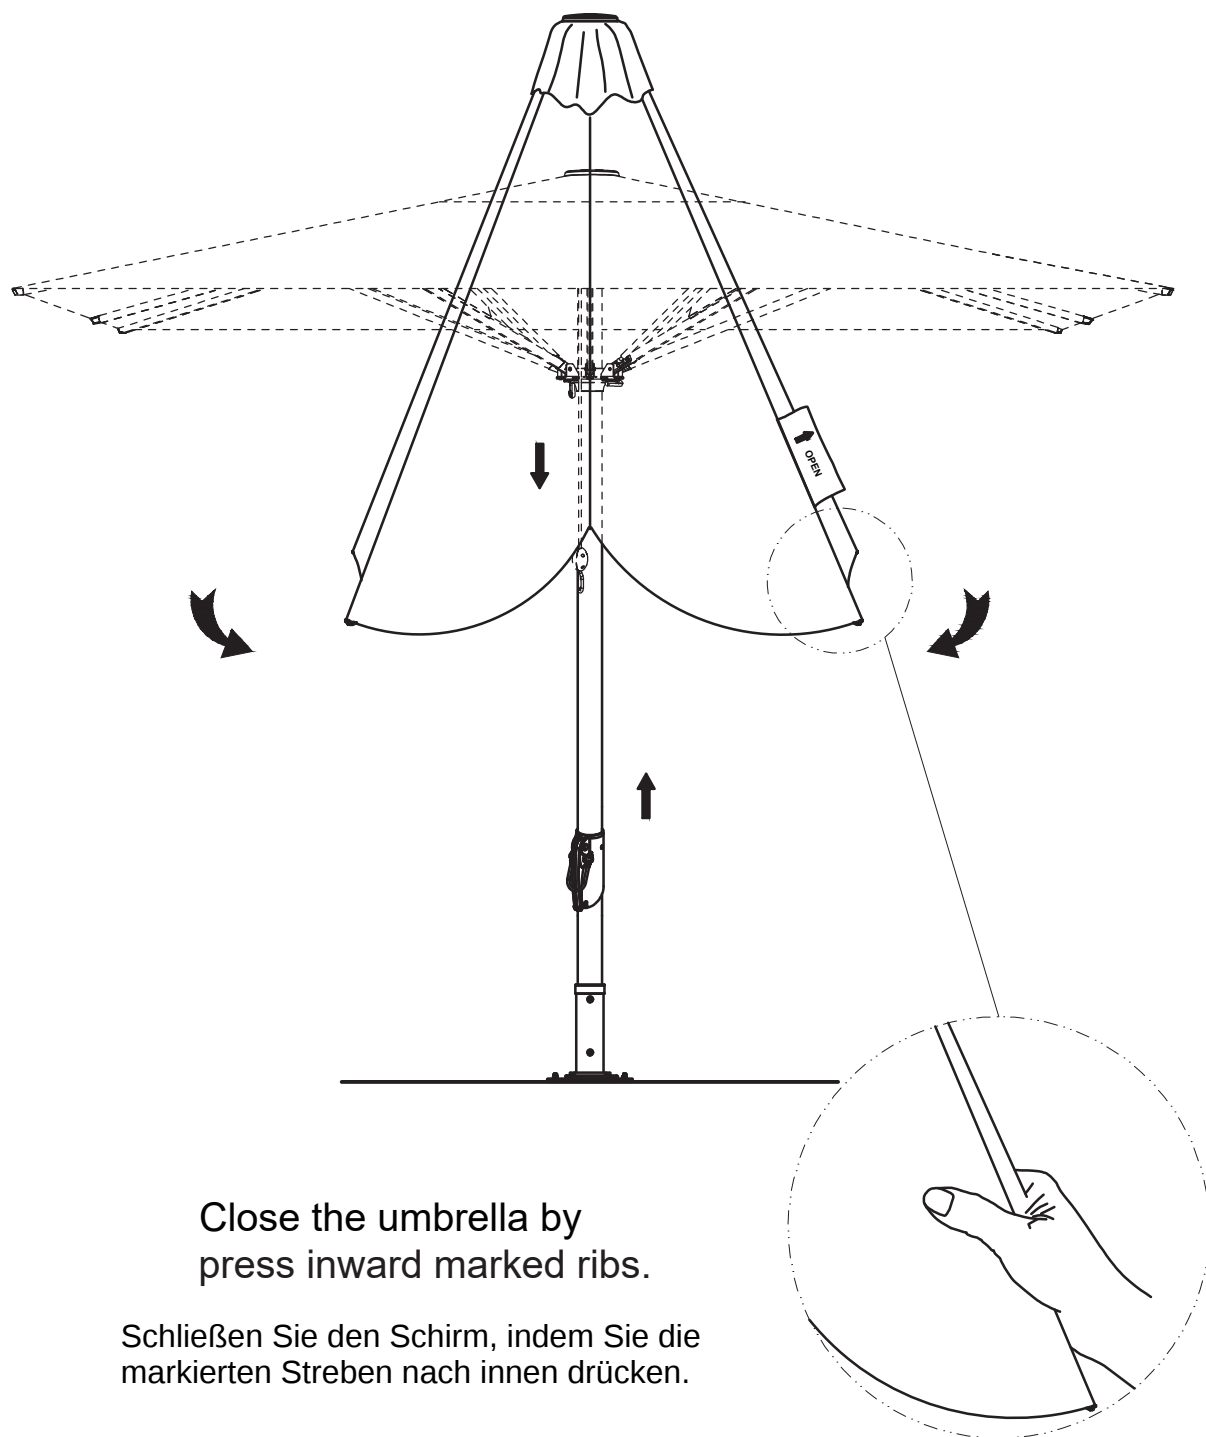

Down the handle,  
then lock it.

Durchs senken des Griffs,  
ist der Schirm eingerastet.

STEP:07

STEP:08

Close the umbrella by  
press inward marked ribs.

Schließen Sie den Schirm, indem Sie die  
markierten Streben nach innen drücken.
